

**NORDIC  
CHAMPIONSHIP  
FIELD TRIAL  
FOR RETRIEVERS**

# Brahetrolleborg Castle

Saturday, December 6th and Sunday, December 7th  
**2025**

We are very grateful that Brahetrolleborg once again provides facilities for an important field trial event like NRC 2025.

Thank you to estate owner Catharina Reventlow-Mourier and gamekeeper Søren Nielsen. Brahetrolleborg is well known for its versatile grounds and for a very renowned bird shoot.

Many Danish Retriever Championships have been held here. Brahetrolleborg hosted the EuroCup in 1997 and again in 2009. In connection with the Brahetrolleborg Game Fair every other year, the estate is also the host of the Profine Nations Cup, last held in August this year.

## PROGRAMME:

### **SATURDAY:**

Meeting time for competitors

8.15: at Brahetrolleborg.

8.30: Welcome by Langesøegnegns Jagthornslaug

*Playing the hunting horn at the start and end of a hunting day is a tradition. This group of hunting horn players has refined this tradition to perfection and we look forward to giving us an atmospheric start to the day. Maybe the beautiful tones can even calm some of the nerves!*

8.45: Welcoming with information about the day's trial.

Bring your dog for a photo session. The six competitors from each country are asked to line up with the dogs in numerical catalogue order 1-6 from left to right.

The Nordic Championship starts immediately after the photo session. Everyone proceeds to the first drive on foot or by transport.

Lunch for all is brought to the field. including for companions, who have pre-ordered.

### **Saturday afternoon**

The first field trial day will end with a game parade.

There will be a prize for Gun's Choice in connection to the game parade.

19.00: Dinner at Lundsgaard Bed&Breakfast for officials, competitors and registered companions.

The dogs who are through to the next day, are announced during the evening.

### **SUNDAY:**

Meeting time for competitors

8.15: at Brahetrolleborg.

8.45: Welcoming with information about the day's trial. Bring your dog as the trial starts immediately after. Everyone proceeds to the first drive on foot or by transport.
